REMARKS

Applicants thank the Examiner for his time and comments during the July 29, 2010, conference call between the Examiner and Applicants' undersigned attorney to discuss possible after allowance claim amendments.

The current amendments are being made for greater clarity. Specifically, Applicants amended independent claim 1 to clarify that the decision message comprises an information portion for each service data flow, and that the further authorization to admit is derived with respect the at least one of service flows. Applicants similarly amended independent claims 19, 37, 52, 67-69 and 86-88. No new matter has been added.

Although Applicants believe that no fee is due with the filing of the present amendment, the Commissioner is hereby authorized to charge any fees that may be due, to Account 50-0311, Ref. No. 39700-597001US/ NC39921US.

Respectfully submitted,

Date: September 8, 2010
